

# RIHARDS SERGIS

## Graphic Designer & Photographer

I am a Latvian graphic designer and photographer with a fresh creative vision, driven by my passion for design and sports. I thrive on experimentation and challenges, always aiming to push boundaries—whether in top design agencies, as a graphic designer for leading sports brands, or through designing for the Olympic Games. Dedicated to growth, I strive to create bold, impactful visuals that leave a lasting mark on the worlds of design, sports, and beyond.
